

## CROSSROAD NEWS BLOG

MAY 2024

### Our news blog

The Crossroad Newsletters which we have published over the last year are currently be replaced by the Toe to Heart Crossroad News blogs as we would like to share smaller and bigger news with you at a more regular frequency as bigger and smaller things are happening. This is the second smaller news blog. Here you can find all the previous newsletters and blogs. [Newsletters - Toe to Heart](#)

### We're teaming up!

Toe to Heart aims to collaborate more with smaller and medium sized companies. This week on 27 May and afterwards, hundreds of carefully selected companies in the Netherlands will be contacted to cooperate to achieve new goals together. We do this in collaboration with our partner 'Nieuwe Gevers', [www.nieuwegevers.nl](http://www.nieuwegevers.nl). Last year we teamed up with 'Nieuwe Gevers' and were helped with many enthusiastic volunteers.

### Partner with us?

If your company -also when you're based outside the Netherlands- wants to be contacted to cooperate with us let us know. Mail us to [info@toetoheart.org](mailto:info@toetoheart.org). We also would love to develop products with you: [Shop - Toe to Heart](#)
